Our cookie policy

1. **Cookies**

Cookies are files with small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a website and stored on your computer's hard drive. Cookies are largely designed to help improve the overall 'user experience' of a website.

Like many sites, we use cookies to collect information. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Site.

2. **Does All-Pak Engineering use cookies?**

All-Pak Engineering Limited collects a minimum of data through this Site. However, this website uses cookies to track your visit to our publicly accessible web pages. We use this information to establish the number of unique visitors to our website and the pages navigated, and to improve the user experience.

The types of cookie you can expect to see in use on our website are from:
- Google Analytics – statistical analysis of website performance
- Microsoft Teams and Zoom – our meeting systems

3. **Why does All-Pak Engineering use cookies?**

This website uses cookies for analytics. It also uses cookies to enable users to interact with the blog. You can enable and disable cookies by altering your internet browser settings as required. How you do this will depend on the type (and version) of browser being used.

Please refer to your computer or printed documentation for details.

If you wish, you can delete the cookies placed on your computer by this Site once you have completed your visit. The settings for this vary between browsers. If cookies are disabled, activity on this site may be restricted.
